

Bank of America's Global Card Access App!

The app offers the same robust security features and utilizes the same user credentials as Global Card Access Online. This simple-to-use tool provides security and convenience to cardholders in the palm of their hand.

The app offers the following:

- View real-time account information (i.e., unique PIN)
- Manage custom alerts sent via text or e-mail
- Activate new card
- Create a custom PIN

Download the Global Card Access application from any major app store.

1. Go to GlobalCardAccess (GCA) app and choose *Register a card*.
2. Enter your card number. Select continue.
3. Enter your account information (expiration date, security code).
 - a. Verification ID or Employee ID: Your Workday ID serves as both the Verification ID and Employee ID. If you are unsure of your Workday ID, please refer to your Workday profile.
 - b. Select continue.
4. Create your User ID and Password. Select and answer three security questions. This information will be used to verify your identity.
 - a. A User ID must be a minimum of seven characters and a maximum of 50 characters.
 - b. A Password must be a minimum of eight characters and must contain at least one alpha and one numeric character. Passwords are case sensitive.
 - c. Select continue.
5. Enter your name and email address. Select submit.

In lieu of using the [Global Card Access](#) website, cardholders are encouraged to download the Global Card Access app to register their card, use the PIN Check tool to check their PIN as a reminder, or even respond to fraud alerts sent by the bank.
