 - g. F26-S27 Academic Year Vice-Chair Election – Jennifer Lau voted as vice-chair. Approved unanimously.
- VI. New/Future Business.**
 - a. ILC Assessment Report – Noted the imbalance in the number of courses that assess proficiencies in the various dimensions. Discussed looking at the dimensions more closely during the next academic year to determine if they should be modified or if some courses that have secondary proficiencies in the underrepresented dimensions might want to assess them instead.
 - b. MATH Co-Req proposal for MATH 1530. – Vice Provost Bach spoke about a pilot course for Math 1530, Differential Calculus, that will include a corequisite component. The course is designed to support students that have tested high enough to place out of College Algebra and Trig but not high enough to place into Calculus.
 - c. Call for Additional Business – None
- VII. Adjournment** – Adjourned at 10:37 am
