

FACULTY SENATE RESOLUTION 77-08

WHEREAS, the Admissions, Standards, and Honors Committee concurs with the suggestion that students ineligible for admission because of the 1.75 transfer rule be allowed to enroll in remedial courses on this campus, and

WHEREAS, the committee understands that these students will be placed in a non-matriculated status and only permitted to enroll for non-degree credit, remedial, or correspondence courses, and

WHEREAS, the committee agrees that admitting this category of student to remedial course work should seem to be in the best interest of the student enabling him to be better prepared for regular course work as a result of the time spent in the remedial program;

THEREFORE, BE IT RESOLVED that the following sentence be inserted in the first paragraph on page 25 of the General Catalog after the first sentence:

“These students may register on a non-credit basis for remedial or correspondence courses offered by the University.”

BE IT FURTHER RESOLVED that in the section titled “Students Dropped from the University,” pp. 210, statement number 3, the last sentence be revised to read as follows:

“However, they may register on a non-credit basis for correspondence and/or remedial courses offered by the University.”

BE IT FINALLY RESOLVED that these changes would permit, but not guarantee, both LSU students dropped because of academic performance and transfer applicants who need and desire remedial work to enroll on a conditional basis for non-credit work, admission to be at the discretion of the Dean.
